

LAURUS ACCOUNTING & FINANCE

STRATEGIC BUSINESS PARTNERS YOU CAN COUNT ON

As a result of the ever increasing complexity of the business landscape, the role of accounting and finance professionals has shifted dramatically in recent years. Traditionally focused on transactional and reporting activities, accounting and finance professionals have become critical strategic business partners, impacting key decisions and company direction.

Laurus Accounting & Finance is proud to be an industry leader in the placement of accounting & finance professionals for direct hire, temporary, contract and temp to hire positions. With our vast network and affiliate firm relationships, we conduct local and national searches ensuring the highest caliber candidate is selected. Our experience with retained and consulting search services, coupled with our personal commitment to each client and candidate, allows us to successfully match highly qualified professionals with our clients' complex business needs. We are very proud of our high placement success and retention rates.
