## YOUR GATEWAY TO QUALIFIED PROFESSIONALS

### **Laurus Professional Provides Temporary, Contract and Temporary to Hire Solutions for your Business Operations.**

As a leading provider of project and temporary staffing solutions, Laurus offers highly skilled and qualified professionals to our clients for both planned and unexpected staffing needs.

From assignments that last just a few days to long-term engagements, our qualified professionals know how to get the job done. Before our candidates meet our clients, they complete a comprehensive evaluation process, including: technical screenings, skills assessment and testing, reference checks, background reviews and work authorizations. Our temporary professionals are certain to meet and exceed your expectations.

Our ability to assist our clients in meeting today's complex staffing challenges has enabled Laurus to become a true business partner instead of simply a service provider.
