

LAURUS HEALTHCARE SEARCH

Your Partner in Healthcare Search

Finding Your Next Healthcare Leader

Laurus Healthcare Search is committed to providing the highest quality candidates at the greatest value in the healthcare vertical. Our team of healthcare experts has the experience and knowledge to present our client with candidates that have both the technical and interpersonal skills needed for critical positions.

Laurus Healthcare Search provides full time support to clients throughout the entire search and selection process. By understanding our client's needs and their company's culture, we are able to locate the best, most qualified individual for the job. We are not simply a service provider, but a true business partner.

As a leader in direct-hire staffing solutions, Laurus Healthcare Search provides clients with the best talent in the industry. Our candidates possess the skills and traits necessary to excel in their fields.

Our Network of Professionals Includes:

- Registered Nurses
